Dear [REDACTED]

With reference to your letter to me of May 4, 1947 and my reply of May 7, 1947, I wish to inform you that at the present time I am in a position to discuss position vacancies in this organization with you.

The position which I have in mind, and for which you appear qualified, would be abroad. I note in your letter that you would not be interested in an overseas assignment unless you had some assurance that your wife could accompany you. If you are employed by this organization and assigned to an overseas station, your family and household goods may accompany you at Government expense.

If you are still interested in a position with this organization, and it is convenient for you to come to Washington for an interview I should be very pleased to talk to you at your earliest convenience.

I would suggest that you accomplish the forms 57 which I mailed you on May 7, 1947 and either mail them to me or bring them with you.

I hope to hear from you in the very near future.

Very truly yours,

STATINTL
